

Changes to Mortgage Loan Closing Process

2015 Iowa Land- Title Conference

Presented by:
Julie Gliha, CRCM
Bob Hartwig, Legal Counsel

Background

- Historically RESPA & TILA Disclosures
- Dodd-Frank Wall Street Reform and Consumer Protection Act (DFA) signed into law July 2010
- DFA established Consumer Financial Protection Bureau (CFPB) and charged it with rule-writing authority
- Know Before You Owe
 - Consumer Research
 - Not enough time to review documents
 - Too much paper
 - Complex/confusing forms
 - Repeated information presented in different formats

Background

- CFPB issued final TILA-RESPA Integrated Disclosure (TRID) rule November 2013, which:
- Combines the early TIL and GFE into a new Loan Estimate;
- Consolidates the final TIL and HUD Settlement Statement into a new Closing Disclosure
- Revises disclosure timing rules
- Establishes new tolerance levels for disclosed costs

Effective Date

- August 1, 2015
- Applications received on or after 8.1.2015
- Cannot use new disclosures earlier than 8.1.2015
- As a result, both old and new forms will be used for a period of time

More Covered Transactions

- Closed-end consumer credit transactions secured by real property
 - Collateral interest in a "dwelling" is not required
- Covered transactions include consumer-purpose:
 - Home purchase, refinance and home equity
 - Loans secured by bare land (lot loans)
 - Loans secured by more than 25 acres
 - Construction-only loans
 - Temporary, closed-end consumer loans
 - Loans extended to family or estate trusts

Delivery of Loan Estimate (LE)

- Lender must <u>deliver or place</u> the LE in the mail:
 - No later than the 3rd business day after receiving an "application"; and,
 - At least 7 business day before consummation
- Definition of "application" is "bare-bones"
 - Consumer's name & SSN
 - Consumer's income
 - Property address & estimated value
 - Mortgage loan amount sought

The Loan Estimate

- Must be provided "in good faith"
- Considered "binding" upon Lender if consumer accepts loan offer within 10 business days
 - Some estimated costs cannot increase at all from LE to actual costs charged at closing
 - Some costs can increase in the aggregate up to 10% over what was disclosed on LE
- Can be re-issued if "changed circumstance" occurs

Revised Loan Estimates

- Lenders can issued revised Loan Estimates within 3 business days of:
 - A change affecting settlement charges
 - A change affecting a borrower's eligibility
 - Revisions requested by the borrower
 - Locking in an interest rate
 - Expiration of the Loan Estimate
 - Delayed settlement on a construction loan
- Only the fee related to the change can be revised!

Limitations for Cost Increases

0% Tolerance

- All fees paid to Lender& Mortgage Broker
- All Fees paid to AFFILIATE of Lender or Broker
- Unaffiliated Third Party Fees that are NOT shoppable
- Transfer Taxes

10% Aggregate Increase

- Shoppable Unaffiliated Third-Party Fees
- Recording Fees
- Services for which consumer may but does not shop for

Variations Permitted

- Prepaid Interest
- Property Insurance
- Escrow Deposits
- Third-Party providers not on Shopping List
- Third-Party services not required by Lender

Towa Land-Title Conference

Opportunity or Lost Revenue?

If a Lender requires use of a certain provider, the fee is subject to the 0% tolerance.

This may lead more lenders to permit consumers to shop for settlement services so the fee moves to the 10% tolerance category.

Opportunity for new consumer customers??

Lost revenue of Lender-selected orders???

Questions

The Closing Process

- The Closing Disclosure (CD) replaces the final TIL and HUD Settlement Statement
- Lender is responsible for completion & delivery of CD to the borrower!
 - Lender may contract with Settlement Agent to provide the CD but remains ultimately liable for compliance with the rule.

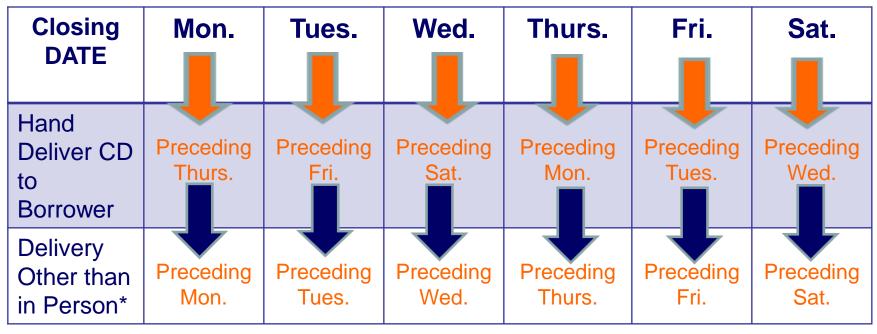

The Closing Process

- The consumer borrower must <u>RECEIVE</u> the CD no later than 3 business days prior to consummation
 - Business day = Mon. thru Sat. (do not count Federal legal holidays)
 - Consumer cannot receive the CD the same day as a revised LE
 - Add 3-day "mailbox rule" if CD is delivered other than in person
 - Includes electronic delivery unless you have proof of receipt
 - Consummation = the time that a consumer becomes contractually obligated on a credit transaction
 - May or may not be the same day as buyer-seller settlement

Closing Disclosure Delivery

- If the Lender has evidence of actual receipt, the 3-day mailbox rule delivery period can be shorted.
- Note: If a federal holiday falls in the 3-day period, add a day for disclosure delivery.

The Seller's Disclosure

Seller's Copy of Closing Disclosure

- Responsible Party Settlement agent; not the Lender
- Disclosure Delivery at or before consummation
- Format 2 options:
 - Combined Disclosure H-25(A)
 - Separate Seller's Disclosure H-25(I)
 - Shown on next slide
- Copy must be provided to Borrower's Lender

Impact of New Timing Rules

We all need to have realistic expectations:

- Final walk-throughs need to happen earlier
- Buyers & sellers need to understand last minute negotiations may delay closing
- Process of gathering closing numbers needs to begin earlier
- Lender has to be consulted when setting closing date
- 30 day purchase agreement to settlements may be a thing of the past

The Closing Process

What if you don't know the final numbers?

- Compete the CD with best information available
- Rule requires due diligence
- Contact providers
- Use calculation tools

What if the CD changes after it is provided but before closing?

- Provide a corrected CD to impacted parties if any "term" of the transaction is found to be inaccurate
- Term = fee or loan term

The Closing Process

- New 3-day waiting period for revised Closing Disclosure triggered if:
 - APR becomes inaccurate
 - Generally increase of APR by .125% or more
 - Loan product changes
 - Prepayment penalty is added

Closing Disclosure Changes

Post-Consummation CD Changes

- Revised Closing Disclosure required if:
 - Change occurs <u>during 30-calendar days after</u> <u>consummation</u> and,
 - Results in change to amount paid by borrower or seller
- Must be delivered no later than 30 calendar days after receiving <u>notice of change</u>
- Lender provide to borrower
- Settlement agent provide to seller

Closing Disclosure Changes

Refunds related to "Good Faith" Analysis

- AKA Tolerance Cures
- Not a violation if within 60 calendar days after consummation:
 - Corrected disclosure is provided to consumer
 - Refund of "excess charges" is provided

June 1 Consummation

Excess Charges of \$180 Discovered New Disclosure & Refund \$180 by July 31

Your Questions

Role of the Settlement Agent

Today:

- Carry out written instructions of parties to contract
- Obtain title work
- Cure title matters
- Gather costs to prepare HUD
- Prepare final HUD
- Obtain signatures of all parties
- Disburse funds
- Record documents

After August 1

Role of the Settlement Agent

- What we know with certainty:
 - Lender is responsible for providing CD to the Buyer
 - Settlement agent provides CD to the Seller
 - The process of preparing the CD has to happen much earlier in the closing process!
- Nearly everything else will be determined by agreement between the Lender, Settlement Agent and parties to the transaction!

Set Realistic Expectations

Set Realistic Expectations

- Ensure all parties understand new disclosure timelines
- Communicate "critical dates" in writing
- Follow up with all parties
- Last minute changes could mean delays
- Don't play the "blame game"

Questions to Ask Lenders

- Timely communication is key to success
 - How will information be communicated to settlement providers?
 - Who will be Lender's key contact person if a change occurs?
 - Who will create the Closing Disclosure? (Lender? Settlement Agent?)
 - Who will set the closing date? (Lender? Realtor? Settlement Agent?)
 - What if realtor provides conflicting information?
 - Who should my final bill be submitted to?
 - How far in advance of closing will you need my final bill (or estimated final invoice)?
 - How will last minute changes to CD be handled? By whom?
 - Who is responsible for making disbursements?
